Senior Class Play

GIRL CRAZY

The Senior Class of Mohawk High School presented "Girl Crazy" a three act musical comedy, by Guy Bolton and John McGowan on Friday and Saturday, March 25 and 26, in the High School Auditorium.

The play centered around Danny Churchill, who gets shipped out to the dilapidated family ranch in Arizona. His family believes that a year, out where men are men and girls are scarce is just what Danny needs. The story is a lively one with beautiful girls from the East and singing cowboys. An outstanding favorite of the cast was Molly, a beautiful Western girl in whom Danny became quite interested.

The National Honor Society is an organization devoted to the recognition of those students who represent the fundamental objectives for which schools are instituted. The four objectives are character, scholarship, leadership, and service. Each spring a tapping ceremony is held. In this ceremony new members are tapped and then light their candle symbolizing their worthiness of this high honor. Each member represents the high qualities of the society and must always attain them. The emblem of the society is a keystone and a flaming torch which represents truth and knowledge. Each member pledges: "I pledge myself to uphold the high purposes of this society to which I have been elected striving in every way by word and deed to make its ideals the ideals of my life and my school."

MUSIC ACTIVITIES

The first appearance of the band during this school year was made at the Wyandot County fair where it provided music at the races one afternoon and also participated in the big parade of bands, livestock, machinery, and floats.

The band appeared at every football game in which we participated and entertained the spectators at half time.

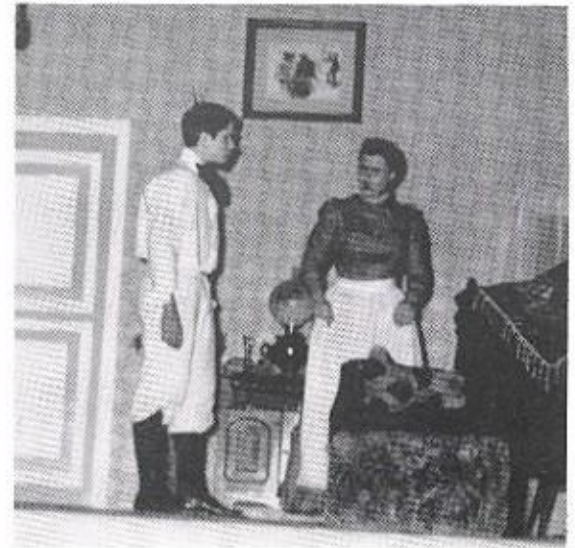

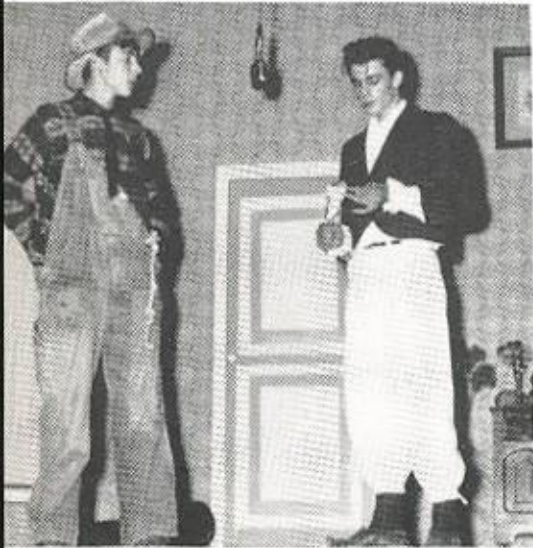

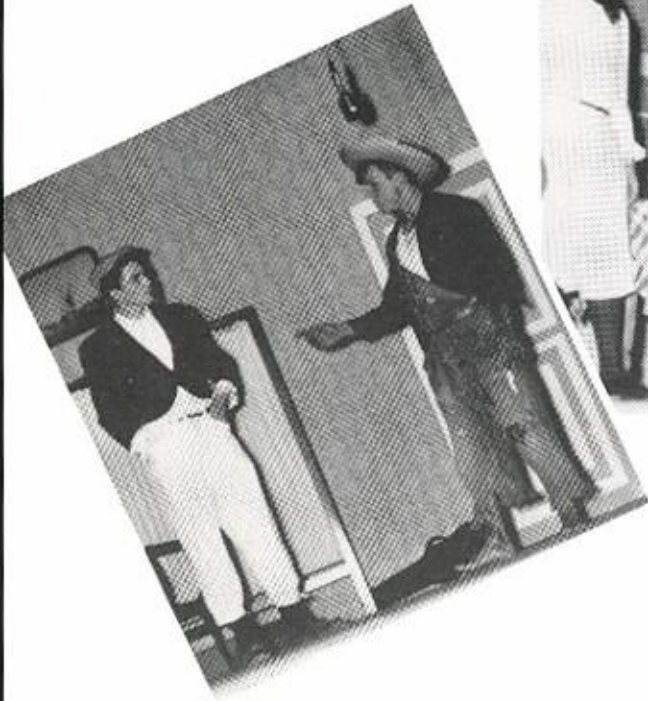

The High School Band, the Junior High Band and the Cadet Bands of the School district presented a concert in December. This was enjoyed by a filled auditorium.

Various vocal groups provided special numbers for various programs throughout the school year.

Both the High School and the Junior High Band participated in the County Band Festival which was held at Wharton. Mohawk High School was the hostess for the Wyandot County Vocal Music Festival this spring.

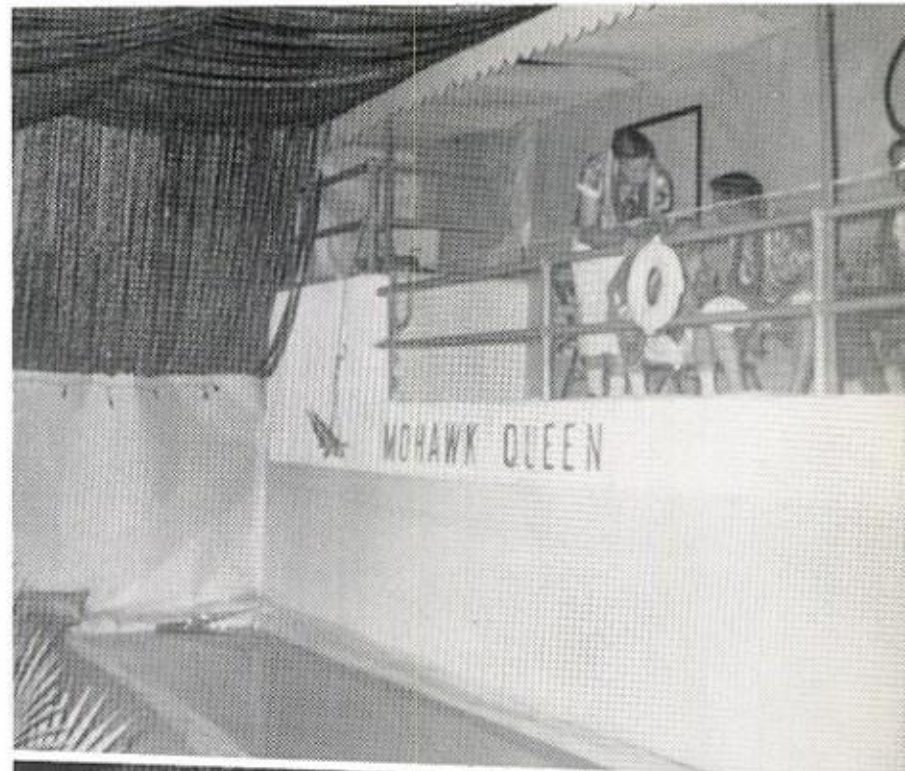

The final appearance for the band during the school year was its spring Concert and the Mixed Chorus made its final appearance at the Baccalaureate Service.

The Mohawk School entered competition in a new sport last fall. Thirty nine members made up the Mohawk School's first football squad. Head coach Tom Duttine was assisted by Bert Carothers in the big job of getting this inexperienced squad into shape. Four games had been scheduled with the Reserve teams of neighboring schools. Most of the opposing players had been playing football from two to four years and although they defeated us it was felt the Mohawk Warriors made a creditable showing. The schools with which Mohawk competed were: Tiffin Columbian Reserves, Ridgedale High School, Tiffin Calvert Reserves and Carey High School Reserves. The school is looking forward to entering regular competition this coming fall.
